## CHCSS00105 Palliative Approach Skill Set

Are you working in a care or support role in the community services sector and wish to develop skills in supporting people requiring palliative care? This skill set provides training in grief and loss support and delivering care services using a palliative approach.

Total units of competency: 2

CHCCCS017 Provide loss and grief support

CHCPAL001 Deliver care services using a palliative approach

These competencies from CHC Community Services Training Package meet industry requirements for work in supporting people who require palliative care. They also provide credit towards a range of qualifications in the CHC Community Services Training Package at Certificate III and Certificate IV level.

Course details	Duration	Delivery mode	Location
	Corporate 2 months (min 7 students)	Face-to-face/ online	Workplace
	Individual – rolling starts. 2 months	Online	N/A

**Entry requirements:** Applicants must be working in a care or support role in the community services sector. If you have any additional support requirements, please discuss these with the Head of Training and Assessment as soon as possible to ensure all arrangements are made prior to your commencement.

### Resources required:

- ✓ Reliable internet connection to access Smart Nation Education's online learning hub
- ✓ Personal computer with up-to-date versions of Microsoft Office, Adobe Acrobat Reader & Flash Player
- ✓ It is a work health and safety requirement that you wear fully-enclosed, non-slip shoes during class sessions.

### Assessment

To achieve competence, you will be required to successfully complete the following tasks:

CHCCCS017 Provide loss and grief support
