

Pharmacist immunisers are required to renew their HLTAID0003 Provide First Aid every 3 years

Are you ready to vaccinate in 2020?

Have you renewed your First Aid/CPR recently?

This is a one-day practical course and students are given access to the written material prior to the workshop.

This course covers a range of first aid topics. It gives participants the knowledge and skills to respond effectively and confidently to manage emergency situations and provide first aid.

A first aid book is supplied to complete the written assessment.

Assessment is through a combination of practical first aid activities and a written assessment. During the practical workshop, all participants must demonstrate Cardiopulmonary Resuscitation on a manikin on the floor and an infant manikin on a firm surface.

Price:

The cost for the course is \$199.00
